Other:

8. Rate your level of agreement with each of the following statements.

Strongly Disagree

Disagree

Kolumna 3

Agree

Strongly Agree

- TSG should always be taught as a part of physical education programme at all school levels
- TSG don't teach players to win and lose - values which are useful in daily life
- The benefit of TSG is healthy and happy competition
- TSG can help develop imagination and creativity
- We should concentrate on digital skills development rather than focus on traditional games practice
- TSG are not prestigious. They are childish
- Information and communication technology is not used enough in my country to promote TSG
- TSG should always be taught as a part of physical education programme at all school levels
- TSG don't teach players to win and lose - values which are useful in daily life
- The benefit of TSG is healthy and happy competition
- TSG can help develop imagination and creativity
- We should concentrate on digital skills development rather than focus on traditional games practice
